**IMPORTANT NOTICE- PLEASE CAREFULLY READ IMMEDIATELY  
UPON RECEIPT**

Kahr Arms is asking all distributors to return certain serial numbers of the Kahr PM9 Polymer frame 9mm pistols to repair or replace barrels that were found to not properly feed hollow point ammunition, which under certain circumstances may be unsafe to the user. These pistols were shipped before March 15, 2004. If you have any Kahr PM9 pistols in your inventory within the range of serial numbers listed below please contact myself at 845-735-4500, ext 205. Do not under any circumstances ship any of these pistols. In the event you have already shipped these pistols to dealers or any of your customers please provide the following information to the undersigned upon receipt of this notice: dealer or customer's name and address. Please mail the information to:

Kahr Arms  
P.O Box 220  
Blauvelt, NY 10913  
Attn: Frank Harris

Kahr needs to contact these dealers and ask them to send back the Kahr PM9 barrel only with the serial number of the gun that the barrel came from. Kahr will repair or replace the barrels. We will also ask the dealer to mail us the name and address of consumers that purchased these models within the serial number range so we can contact the consumer. Barrels received will be repaired or replaced and shipped back within 7 business days.

We apologize in advance for any inconvenience this may cause you. If you have any questions or comments regarding this notice, please do not hesitate to contact the undersigned at 845-735-4500, ext. 205.

Sincerely,

A handwritten signature in black ink that reads 'Frank E. Harris'. The signature is written in a cursive style with a large, stylized 'F' and 'H'.
